SUMMARY

I am a Professor in Prosthetic Dentistry at the Faculty of Dental Sciences, University of Peradeniya, Sri Lanka, and an Associate Professor in Prosthetic Dentistry at MAHSA International College (Penang), Ma-

laysia. I am a board-certified specialist in Restorative Dentistry with over 25 years of experience in teaching, clinical practice, and research. I hold a Master of Surgery (MS) in Restorative Dentistry, with academic and professional training in prosthetic dentistry, restorative dentistry, periodontology, and paediatric dentistry, obtained through the Sri Lankan postgraduate dental curriculum at the Postgraduate Institute of Medicine (PGIM), University of Colombo.

I have wide experience in undergraduate and postgraduate dental education, having been actively involved in teaching Bachelor of Dental Surgery (BDS) undergraduates as well as postgraduate trainees in MD (Restorative Dentistry), the Diploma in Hospital Dental Practice (DHDP), and training and examination for Registration to Practice Dental Surgery (ERPDS) in Sri Lanka. In addition to teaching, I have served as an examiner for undergraduate examinations in restorative and prosthetic dentistry since 2011, for the MD (Restorative Dentistry) postgraduate examinations conducted by PGIM since 2015, for the DHDP since 2014, and for the ERPDS since 2011. I have also contributed as both teacher and examiner for the Higher Diploma in Dental Technology (HDDT) and the Diploma in Dental Surgery Assistance (DDSA) programmes conducted by the Dental Auxiliary Training School (DATS), affiliated with the Faculty of Dental Sciences, University of Peradeniya, Sri Lanka, since 2015.

I am currently teaching undergraduate dental students in Years 3, 4, and 5 at MAHSA International College (Penang), Malaysia.

My research interests include maxillofacial prosthodontics, implant dentistry, e-learning in dental education, and digital dentistry. I am particularly committed to fostering a positive and engaging learning environment through innovative teaching approaches, including interactive e-learning platforms. To date, I have authored over 65 peer-reviewed publications, with more than 480 citations, an h-index of 12, and an i10-index of 12. I have received multiple research grants and honours, including the Indo–Lanka Joint Workshop Grant (2025), for which I served as the Principal Investigator from Sri Lanka. I have also contributed to numerous continuing professional development (CPD) activities as a resource person, delivering guest lectures, symposia, and workshops, and have collaborated with several national and international academic and research institutions.

In terms of academic leadership and service, I have served as Head of Department and as the Assistant Editor of the Hantan Vision Research Magazine, University of Peradeniya. I was also the Secretary and later Chair of the Ethics Review Committee, Faculty of Dental Sciences, University of Peradeniya. I currently serve as an editorial board member of the Sri Lanka Dental Journal.
